

INSPIRING WONDER NATIONAL ENGINEERS WEEK 2021

February 22 - 26

Virtual Event Schedule

#1

Extreme Engineering Challenge

The most ultimate (and fun!) engineering design challenge! Envision and develop a 5-step engineering process that dispenses hand sanitizer from a bottle into the palm of a hand.

5-Step Engineering Design Solution must be hands-free... of course!

Submit a 60-second video of your engineering design to edmunds@fau.edu

Deadline: **Thursday, February 25th, 10:00 A.M.**

#2

3rd Annual Celebration of Academic Excellence Awards

Monday, February 22 | 10:00 a.m. - 11:00 a.m.

Join us as we recognize and celebrate graduate student achievements, and faculty and staff excellence. To view our MS and PhD student posters, click [here](#). When joining the event on Zoom, please use this password: FAUowls222.

[Join via Zoom](#)

#3

Open House

Monday, February 22 | 6:00 p.m.

Learn about graduate programs in Engineering and Computer Science.

[RSVP Here](#)

#4

Young Alumni Roundtable Discussion

Tuesday, February 23 12:30 P.M.

Join our interactive panel of outstanding young alumni who recently graduated from FAU College of Engineering and Computer Science.

They will share how they secured their very first engineering/computer science job, the transition from college to industry, their first couple of years as a professional and much more!

[Join via Zoom](#)

Aerojet Rocketdyne Information Session

Join in as Danielle Stepien, Mechanical Engineering alum, provides an overview of Aerojet Rocketdyne and its incredible rotational program, a standard across the Aerospace industry! She will discuss new internship and job openings at Aerojet Rocketdyne at the West Palm Beach facility!

Presenter

Danielle Stepien
Operations Leadership Rotational Program
and Mechanical Engineering Alum,
Aerojet Rocketdyne

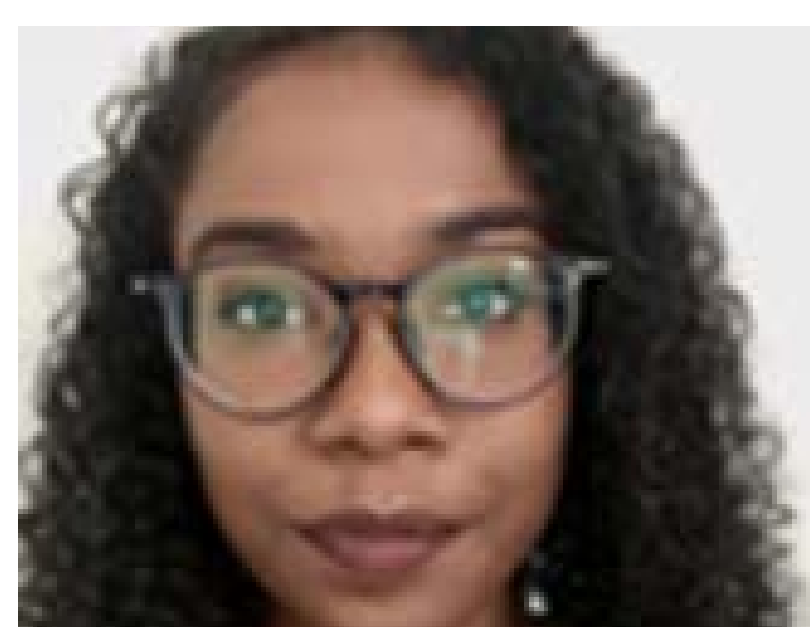

[Alumni Roundtable](#)

Alyssa Blastic
Associate Pathways System
Engineer,
Northrop Grumman

Caleb Bien-Aime
Test Engineer,
Lockheed Martin

Ayah Elshaikh
Software Engineer,
Lockheed Martin

Bertrand (Bert) King
EI, Analyst,
Kimley-Horn

#5

Develop Your Personal Brand and Secure Your Dream Job!

Tuesday, February 23 | 6:00 P.M.

Participate in a one-hour workshop to craft your personal brand statement and perfect your elevator pitch.

Perfect for the upcoming FAU Technical Career Fair!

Presenter

Sara Stangel
Head of IT Portfolio
and Project Management,
Motorola Solutions

[Join via Zoom](#)

#6

Virtual Engineering Trivia Contest

Wednesday, February 24 | 4:00 P.M.

How much do you REALLY know about engineering?

Come test your knowledge and win some cool FAU Engineering Swag!

Everyone is welcome!

[Join via Zoom](#)

#7

Female Engineers and the Space Industry

Wednesday, February 24 | 6:00 P.M.

Join us as we feature two highly accomplished alumni who secured dream jobs working in the space industry!

They will share their academic and professional journey and will discuss working on space-related projects during COVID-19.

Join us for a great conversation!

Presenters

Alyssa Harris
Hardware Subsystem Engineer,
Northrop Grumman

Janet Weinthal
Hardware Subsystem Engineer,
Northrop Grumman
