**FAU workshop will assist teacher with programs**

By staff report  
June 22, 2007  

Florida Atlantic University's Department of Ocean Engineering is offering a professional workshop to assist local high school teachers in enhancing their math and science programs.

The workshop will explore high school math and science lessons to discover an effective means of collaboration between high schools and universities.

The five-day workshop will be at FAU's Boca Raton campus, with one day at the Dania Beach Seatech campus, from 9:30 a.m. to 4:30 p.m. starting Monday. For information, contact Edgar An at (561) 297-2459 or (954) 924-7231, or e-mail ean@oe.fau.edu.
