Science of music

NOTABLE CREATION: Jaclyn Calvert, a senior in mechanical engineering at Florida Atlantic University in Boca Raton, checks the wires Tuesday on a device that she and two other students created. Their assignment was to create a musical instrument that can play a full octave. The instrument works under computer control so that prerecorded tunes may be played. Staff photo/Carline Jean

said he wanted to host the run to honor Reyka, who was a neighbor of his, an avid runner and a Boy Scout troop leader.

WEST LAKE WORTH
AKC-sanctioned dog show
this weekend at park

Boca Raton Dog Club’s annual American Kennel Club-sanctioned all-breed dog show is 8:30 a.m. to 4:30 p.m. Saturday and Sunday at John Prince Park, 4759 S. Congress Ave.

The event will include a $25 microchip clinic, a puppy show, and a “meet the breeds” program where various dog breeds will be presented and explained to show-goers. Educational material will be available on subjects such as what kind of dog to buy.

Admission is $5 for adults, $1 for ages 12 and younger. For information, visit www.bocaratondogclub.org or call 561-334-4404.

WEST PALM BEACH
Closures Saturday-Monday
at I-95 and Congress Avenue

Congress Avenue at Interstate 95 will be closed from 7 a.m. Saturday to 3 a.m. Monday as part of a project to widen Interstate 95 to 10 lanes between Southern Boulevard and Palm Beach Lakes Boulevard.

Southbound I-95 at Congress Avenue also will close overnight Sunday and Monday beginning at 9 p.m., and northbound I-95 at Congress will close overnight Monday beginning at 8 p.m.

For all closures, drivers may detour to Palm Beach Lakes Boulevard and Okeechobee Boulevard.

The $78 million project also will
